The perfect location to explore the reef, the rainforest and the delights of the tropics. Southern Cross is ideal for couples, or larger families to take advantage of the adjoining apartment arrangement.

Southern Cross Apartments

Truly tropical ambience nestled in the heart of buzzing Cairns, this is the unique holiday experience offered by Southern Cross Atrium Apartments, situated just moments from Cairns' beautiful Esplanade and Lagoon, and offering the best of all worlds.

Specifically designed for the tropics, the apartments take advantage of natural cooling sea breezes, which waft through the delightfully large, timber-louvred balconies of these unique inner city apartments, just a stone's throw from restaurants, cafés, cinemas and plenty of shopping opportunity at the immensely popular Cairns Central.

An oasis in the hub of the city, Southern Cross Atrium Apartments' inspired design spirits its residents into another world – a tropical haven within easy reach of all amenities, just 20 minutes from the beautiful, white sanded northern beaches, and 10 minutes from the marina, from where one can escape through the glistening waters of the Coral Sea to delightful Green or Fitzroy Islands, or snorkel among the natural splendours of our exotic and colourful Great Barrier Reef.

The tropical ambience of this modern resort style apartment complex belies its inner city position. Designed around exotic garden atriums, the prevailing mood in this inspired resort style apartment complex is relaxation, with three separate pools and spas, a gymnasium, barbecue area, and an atmosphere guaranteed to induce holiday euphoria.

Light and airy, modern apartments are self catering and boast quality appointments, allowing the guest a choice of small kitchenette (Studio), medium kitchenette (One Bedroom Superior) and full kitchen (One Bedroom Deluxe).

All Superior and Deluxe One Bedroom apartments have indoor/outdoor balconies and can be converted to Two Bedroom with dual key configuration.
